 How It Works

Every post, comment, and like in the community feed earns you XP. XP = Levels. Levels = access to titles and rewards. At each level you unlock a new title for your profile.

💡 **How To Level Up Faster**

- Post your progress, wins, and behind-the-scenes builds.
- Support others — reply, engage, and build genuine connections.
- Stuck or want feedback? Reach out to **Duncan**.

🎉 **Why Levels Matter**

These levels aren't about flexing — they're about growth, collaboration, and mastery. The more you give, the more you get out of this community. And it feels good to display your new titles on your profile.
