High Ticket Jobs

Built a site that pulls high-ticket job listings with filters to make it usable, plus links to social media communities and job boards I haven't

Loved this community's infographic style so much I ...

@Duncan Rogoff flat-vector infographic look is everywhere in here and I kept thinking "I want that, but in my own brand colours, on demand."

Personalized AI Strategy for Small Businesses

I built something this week. It is actually a remake of an AI Audit for small businesses that I did when I was first starting out. The first

automated linked in posting

I was able to use claude code clubs social media posting lesson, create a great post and then use claude/ghl and automate the post

Video Stage - a huge win for me

This was a huge step for me: Video Stage was so valuable. I’ve dabbled in video creation before, but now I really get it. It’s almost a little

If I can, you can!!

I built a full KPI platform for my architecture firm using Claude Code – and it's running my real business right now. 20 active projects. \$8.6M in

Built a YouTube automation app with Claude Code

Been heads-down the past few weeks building something I'd love to get real eyes on. The short version: you paste a URL (article, YouTube

First live website "Phase 3 Mission"

@Duncan Rogoff I successfully made a live website. It is a practice site. Any tips or recommendations are welcomed.
